RE: Unisource/APS Contract Renegotiations
Docket Nos. E-01032C-00-0751

Dear Colleagues: G-01032A-02-0914
G-01032E-03-0515

An issue has arisen regarding public comment on the subject of the contract renegotiations between Unisource and Arizona Public Service. Although the topic is complex, I believe shining the light of day, and therefore public comment, is appropriate. I would suggest a presentation on technical issues by Staff precede public comment on this subject.

I believe that any public comment on the contract renegotiations be separate and distinct from public comment on the Unisource Reorganization Application, Docket E-04230A-03-0933. It is not appropriate, in my view, for the two separate matters to be commingled in joint public comment. Separate and distinct morning/afternoon/evening public comment sessions would preserve the due process rights of the parties to the two distinct proceedings.

Very truly yours,

Marc Spitzer
